I am a Software Engineer and former UI designer. Currently working as a front end developer at Nielsen and based in Berlin. Find my portfolio here: <https://julien-sebag.com>

Work experience

• Front End Developer

Nielsen, Warsaw | Since July 2022

- Front end development for products owned by the company.
- Development of a components library, previously designed when I was Product Designer.

• Front End Developer

Venture Leap, Berlin | March 2022 - July 2022

- Front end development for several clients of the agency.

• Product Designer

Nielsen, Warsaw | January 2020 - September 2021

- UX/UI Design for different products owned by the company.
- Building a global design system used on several products of the company.
- Mockups of a PWA helping panelists to manage their account, used in more than 30 countries, and translated in more than 35 languages, including RTL languages.
